FALL 2017

Carnival Cruise

Cruises make for the best vacations! CSC decided to end the Summer by taking two groups of individuals on two separate cruises for an entire week to the beautiful private islands of the Bahamas. The life on the cruise has no boring moments. There was a wide range of entertainment programs throughout the day onboard with shore excursions available to explore when at the island. So many different restaurants, buffets, burger joints, and in room dining service ensured that everyone slept with their tummies full. They also enjoyed the many different shows, especially karaoke in which they took part in and sang their hearts out. When they reached back home they were sad that the vacation had come to an end. Everyone was very happy with their wonderful experience as many of them went for the very first time on the cruise.

CSC Expanding 6

Memorial Day

This year's cookout was held on Friday May 26, 2017 in early celebration of Memorial Day. It took place outside of CSC's patio with a catered lunch of fresh hamburgers and hot dogs along with many side dishes. DJ Nathan was on his best game and had everyone on their feet dancing. Face painting was also very much enjoyed. One young man painted his face with the American flag to show his support for the men and women who lost their lives fighting for this country. This Memorial Day cookout celebration was a huge success as many left for the long weekend with wonderful memories, looking forward to repeating this event in the years to come.

July 4th Carnival

CSC hosted this year's carnival in celebration of the July 4th holiday. Everyone was excited for the celebration with many fun activities and delicious food. The outside of the program was decorated in red, white, and blue. Many games were enjoyed to include soccer pool, shark attack, quarterback pass, and, the most liked game, the royal flush dunk tank. Many volunteered to participate and get completely soaked. Music was played on the patio and many enjoyed dancing. We also had amazing face painting as well 4th of July themed temporary tattoos and glittery stickers. The photographer made sure to capture this wonderful carnival with many posing with patriotic Uncle Sam hats as well as head boppers and many other props. After all the games and activities, everyone enjoyed hamburgers, chicken, and hot dogs among many other delicious choices of food available.

Hershey Park

On July 8th 2017, individuals along with their staff took CSC's first trip to visit Hershey Park in Pennsylvania. They traveled by a chartered Motor Coach and relaxed along the drive. They were all very excited. Once they arrived, each person spent their time enjoying what they love most from amusement rides to the amazing waterpark, arcade games and restaurants. The highlight of the trip for many was the visit to the Hershey Chocolate Factory. After buying souvenirs, chocolate and other goodies, everyone headed home. Many described their Hershey Park experience as thrilling and are looking forward to visiting again.

Ocean City

Four New Children Homes Opened!

CSC is proud to announce that this Fall four new children homes were opened up to children with developmentally disabilities. Each home was carefully purchased to meet the needs of these children. They are all beautifully remodeled with 5 bedrooms and at least 3 bathrooms. Plenty of room for playing games and activities in each of the large fenced backyards.
