# Employee Connection

## March Employee of the Month

Fannie joined CSC as a job coach for CSC's Supported Employment Program in September last year. Although, it's only been six months since she started working with us, she has quickly learned her responsibilities and has proven herself to be an excellent employee. Fannie also voluntarily assists with giving out medications. She is always ready to help displaying a positive attitude and always smiling. Individuals at the day program have also spoken out in her favor describing her as a very friendly and caring person. Employees like her are rare to find. We are lucky to have Fannie on our team.

**Congratulations Fannie!** We are very proud of you and hope to see you continue doing the amazing job you do.

### Mission

Our Mission is to provide services of the highest quality for people with cognitive and developmental disabilities and related disorders including autism that optimize each individual's independence and capabilities, ensure self-determination and rights and, with partnerships in the community, enhances their opportunities to live healthy, safe and valued lives.

### Vision

Our Vision is to provide programs and services to individuals with developmental disabilities and related disorders including autism to live and work in the community and exercise their rights, choice and freedom and to live independent of institutional life through integrated efforts of change agents who are passionate about changing lives of people with disabilities throughout the world.
