

Center for Social Change *Employee Connection*

Issue #May 2017

Mission

Our Mission is to provide services of the highest quality for people with cognitive and developmental disabilities and related disorders including autism that optimize each individual's independence and capabilities, ensure self-determination and rights and, with partnerships in the community, enhances their opportunities to live healthy, safe and valued lives.

Vision

Our Vision is to provide programs and services to individuals with developmental disabilities and related disorders including autism to live and work in the community and exercise their rights, choice and freedom and to live independent of institutional life through integrated efforts of change agents who are passionate about changing lives of people with disabilities throughout the world.

Employees of the Month:

Temitope Olugbodi

Temitope is a support staff member at one of our residential homes. She has proven herself to be more than just a support staff. In fact, she ensures all the tasks in the home are completed. She conducts the weekly house meetings as well as always going above and beyond to make sure the needs of the individuals are met.

Congratulations Temitope!

Michelle Packard

Michelle is a great Clinical Specialist in our vocational program. Even though she has been with us for only a few months, Michelle has been extremely helpful. Along with taking care of individuals assigned, Michelle helps the clinical coordinator at medication time. She thinks of different ways to assist the individuals to reach their personal goals at work..

Congratulations Michelle!
