

# Center for Social Change

## EMPLOYEE CONNECTION

Issue # October, 2017

### Mission

Our Mission is to provide services of the highest quality for people with cognitive and developmental disabilities and related disorders including autism that optimize each individual's independence and capabilities, ensure self-determination and rights and, with partnerships in the community, enhances their opportunities to live healthy, safe and valued lives.

### Vision

Our Vision is to provide programs and services to individuals with developmental disabilities and related disorders including autism to live and work in the community and exercise their rights, choice and freedom and to live independent of institutional life through integrated efforts of change agents who are passionate about

### Employees of the Month

#### Eric Nchumuluh

Eric is extremely dedicated to his individuals and is always willing to do what it takes to make sure they have everything they need. This includes coming in on his days off and coming in early to his shift with sometimes no notice at all. He is also very open to points of improvement and never argues but instead incorporates them into his daily routine in order to always improve his performance.

*Congratulations Eric!*

#### Adedoja Erujole

Mr. Ade is a wonderful job coach at our Vocational Program. He engages with those he is assigned in many different ways. If one likes to dance, he will dance along and make them feel comfortable and happy. If they are down he will try to uplift their mood. Mr. Ade doesn't only do what his assigned duties are but goes above and beyond and proves that he really does care about everyone.

*Congratulations Mr. Ade!*

**To John Ayrookazhiyil and  
 Mayowa Adesina for scoring 100% on the 2  
 year clinical update course!!**

CSC is offering **FREE flu shots**; at no charge to the employees. All you need to do is go to **any** local Concentra location before October 31, 2017 during their open hours.

***Ways to Prevent the Flu!***

**Get Vaccinated!** The flu vaccine increases your chances of avoiding getting sick, and minimizes the severity of the illness if you do contract the flu virus.

**Use Common Hygiene Tips!** Wash your hands often using warm water, soap, and clean drying materials. Also carry an alcohol based hand sanitizer with you for times when soap and water are not available.

**Stay Healthy!** Eat a balanced diet, exercise regularly, and get seven to nine hours of sleep each night.

**Quit Smoking!** Smoking makes you more susceptible to the flu. When smokers get sick, they tend to have a more severe infection and have a higher risk of complications.
