## WHAT'S INSIDE

Keeping up with the tradition of summer vacation and spending a summer day at the beach is one of the joys of life, and this year's trip to Bethany Beach was filled with all kinds of summer fun.

Thirty two individuals, accompanied by their support staff were extremely excited to pack their clothes and departed for the sunny beaches of Bethany Beach. Once the group arrived at Beach, they unpacked their belongings and headed to put their feet in the waters. Watching movies, visiting the arcades, having walks on the board walks and soaking the warm sunshine were the highlights of this trip. This year a detour was made to stop by ocean city and spend a day at Rehoboth beach as well. Great memories were captured in the picture, individuals took by the water and boardwalk.

Time slipped away as it often does during summer vacation and with hopes to return next year, the vans were packed up and everyone headed home from a week long trip.

# FASHION SHOW

Fashion Show, 2014! Just in time for Summer, the newest fashions and seasonal trends came to life on the red carpet at CSC. Individuals and staff alike, each exhibited their unique sense of style with a walk and twirl under the spotlights. Music and a moving dance interpretation were provided by Nathan S. whose talents always ensure a lively and energetic atmosphere.

The enjoyment of those who showed off their best outfits was clearly visible on their faces, while the applause of those in the audience expressed their excitement as well. The gala evening included dinner for all, and a promise of more good times to come.

At CSC Adult Medical Day

Care , Fashion show contest took place and our very own Linda and Paul were crowned King and Queen of the Show!

# VOLUNTEERING

**Jonathan** believes in making a difference . So once he graduated from high school and returned to CSC as an adult, he spoke to his Vocational Coach and expressed that he would like to volunteer at an animal shelter. It was quickly arranged for Jonathan along with his peer Robert. At the shelter , Jonathan learned how to take care of little puppies while Robert went adventurous and took care of snakes. For both Jonathan and Robert it was an experience of life time.

Jonathan now volunteers at the shelter two days a week and makes sure that he is taking care of the animals he is assigned to. After all its about giving back !

## PARTICIPATING IN COMMUNITY

For the fourth year in a row, on a recent beautiful spring day, Janet and Wyndella gathered their no longer needed items for sale at the Fieldstone Community's Annual Yard Sale. Joining their neighbors in this historic community, they manned tables in front of their home where bargain hunters found books, clothing, toys, and other "must-have" items.

Through such activities, the ladies demonstrate that they are active and welcome participants in their community. CSC

recognizes the importance of such participation, and provides all of the resources necessary to create such opportunities for those we support !
