February Employee of the Month

Lisa Hughes has been recognized as the employee of the month. Ever since Lisa started working as a direct care staff for us, she has been excelling in every task she is assigned to. She goes above and beyond to make sure the individuals get the care they need. We are very proud to have such a hardworking and dedicated person like her working for us. She has consistently proved her worth and has never failed in any of the endeavors. Lisa also proved to work extremely well as a team, and we are so very grateful to her. It's her careful attention to detail that makes her so special!

Our sincerest thanks for the contribution you have made to our company.

Congratulations Lisa!

Mission

Our Mission is to provide services of the highest quality for people with cognitive and developmental disabilities and related disorders including autism that optimize each individual's independence and capabilities, ensure self-determination and rights and, with partnerships in the community, enhances their opportunities to live healthy, safe and valued lives.

Vision

Our Vision is to provide programs and services to individuals with developmental disabilities and related disorders including autism to live and work in the community and exercise their rights, choice and freedom and to live independent of institutional life through integrated efforts of change agents who are passionate about changing lives of people with disabilities throughout the world.

- All AON staff are responsible to report the status of the individual on the Imanage Log and on the AON call number. IF the Imanage log is not working, please call every hour to report.
- Taking individuals' property and/or CSC's property for personal use is violation of company policy and violation individuals' rights. This includes using the company vehicle and Wi-Fi /internet for personal use.
- Individual's health and safety is our #1 goal. Please don't bring your personal laptops to the ALU. Personal calls should only be attended if there is an emergency. Staff should pay undivided attention to the individual served while at Work.
- All paperwork must be completed during your shift. Make sure MARs , BM charts, Blood pressure logs and blood glucose logs are completed on time and accurately. Don't forget the fridge/freezer and water temperature logs.
- Incident reports should be completed immediately and submitted to the Program Coordinator.
- Make sure individuals are drinking enough fluid. Follow the diet plan and avoid buying fast food and food with high sugar content for the individuals.
- If staff are calling the nurse, make sure to complete the nursing log on time. Any medication issue needs to be reported immediately to the supervisor.
