

EMPLOYEE CONNECTION

Center for Social Change

CSC Monthly Magazine

JANUARY 2020

Mission

Our Mission is to provide services of the highest quality for people with cognitive and developmental disabilities and related disorders including autism that optimize each individual's independence and capabilities, ensure self-determination and rights and, with partnerships in the community, enhances their opportunities to live healthy, safe and valued lives.

Vision

Our Vision is to provide programs and services to individuals with developmental disabilities and related disorders including autism to live and work in the community and exercise their rights, choice and freedom and to live independent of institutional life through integrated efforts of change agents who are passionate about changing lives of people with disabilities throughout the world.

Mr. Emmanuel Fatile is the employee recognized for the month of January. He was nominated as such by his fellow colleagues and the management team couldn't have agreed more! Mr Fatile arrives to work daily with a positive can-do attitude and ready to make a difference in the lives of our clients. He is a valuable asset to everything we do at the CSC and we feel so lucky to have him!

Since first transferring to the day program Abayomi (Yomi) Fadeyi has been a team player and always jumps up to help out wherever necessary. Yomi is warm and supportive towards all of the individuals he interacts with and is a favored staff by many. Anytime coverage is needed, Yomi is willing to step in to help out his supervisor and co-workers. Thank you for being a great example of team-work and positivity!

WE'RE HIRING!

Be Prepared to Stay Safe and Healthy in Winter

Winter storms and cold temperatures can be dangerous. Stay safe and healthy by planning ahead. Prepare your home and cars. Prepare for power outages and outdoor activity. Check on older adults.

Staying inside is no guarantee of safety. Take these steps to keep your home safe and warm during the winter months.

- **Winterize your home.**
 - Install weather stripping, insulation, and storm windows.
 - Insulate water lines that run along exterior walls.
 - Clean out gutters and repair roof leaks.
- **Check your heating systems.**
 - Have your heating system serviced professionally to make sure that it is clean, working properly, and ventilated to the outside.
 - Inspect and clean fireplaces and chimneys.
 - If you do not have a working smoke detector, install one. Test batteries monthly and replace them twice a year.
 - Have a safe alternate heating source and alternate fuels available.
 - Prevent carbon monoxide (CO) emergencies.
 - Install a CO detector to alert you of the presence of the deadly, odorless, colorless gas. Check batteries when you change your clocks in the fall and spring.
 - Learn symptoms of CO poisoning: headache, dizziness, weakness, upset stomach, vomiting, chest pain, and confusion.

DIRECT CARE STAFF: MULTIPLE POSITIONS WEEKDAYS, WEEKENDS AND AWAKE OVERNIGHT

REQUIREMENTS: HIGH SCHOOL DIPLOMA, CMT, VALID MARYLAND DRIVING LICENSE WITH LESS THAN 2 POINTS IN DRIVING RECORD AT ALL TIMES, MINIMUM ONE YEAR OF EXPERIENCE OF WORKING WITH INDIVIDUALS WITH DEVELOPMENTAL DIABILITIES.
