## A Night at the Oscars!

This year's fashion show was held on Friday, May 26<sup>th</sup>. Center for Social Change has hit a 7 year milestone with this fashion show tradition, which is held each Spring at the CSC's Supported Employment. Every year we choose a different theme to add the excitement and wildness. This year's theme was Hollywood, the Oscars. It was said by many to have been the best Fashion Show so far.

## FASHION SHOW

The decorations were to die for! We had beautiful screen setters that many posed in front of for pictures. We also had models that walked the ramp with their Oscars award in their hands showing off their poses, dances, and their fancy outfits. The DJ played wonderful music and made sure to keep everyone engaged and dancing. To wrap the Oscars night up, we had pizza and wings which everyone also very much enjoyed.

# MEMORIAL DAY COOK-OUT

Welcome to the Opening Day of the cookout season! The days are getting warmer and longer and we here at CSC need an excuse to be outdoors and take it all in. Center for Social Change kicked start the summer with an ultimate Memorial Day cookout on Friday, May 24<sup>th</sup> at CSC's patio. We had delicious all American catered food from Smokehouse Grill. It's one of our yearly celebrations that we take tremendous pride in.

## MEMORIAL DAY COOK-OUT

The outdoor patriotic decorations and the DJ playing patriotic songs made this event even more memorable. We had fun props and tattoos that many enjoyed dancing and taking pictures with. The inflatable 6 foot tall Uncle Sam definitely stole the show!

It was a fun prop to pose with for the cameras. The photographer ensured each moment was captured of the Memorial Day celebration. It was finished off with a variety of ice cream cups that many returned for second rounds. All left happily thanking the heroes who lost their lives for this country and those who continue to do so every day.
