HALLOWEEN NIGHT

Halloween is the official start of the holiday season at Center for Social Change. During the month of October all of the individuals were getting excited about their costumes and the party held at the main office. Around 6pm the Friday before Halloween, Ghosts and Goblins started arriving. Several Harry Potter's made an appearance, Batman, Superman, Dracula, and some zombies. It was a real fright! The DJ played some spooky tunes and we Monster Mashed the night away. The photographer captured these precious moments in the camera. You can't have a party without snacks, so in the end everyone had their favorite pizza, wings and ice cream.

CHRISTMAS PARTY

Christmas is the most magical time of the year...all of the lights, decorations, and the holiday party! The CSC Christmas party is the most anticipated event every year for both individuals and staff. On December 23, 2019, everyone dressed in their best holiday attire and came together for a delicious dinner at Ten Oaks. After dinner, Santa Claus came to join the party and gave each individual a personalized gift. DJ Russ played holiday hits and music for all to dance to. Awards were given at the end of the event for the home decorating contest.

HOMES DECORATING CONTEST

For the second year, CSC held a decorating contest for all of the homes. This year many stepped up their game and added wonderful additions to the decorations. Some had large blow up Santa's and snowmen on the front lawns where others hung personalized stockings in the homes. Many increased their display and added to the outside lights. The staff and individuals were all in the real holiday spirit! The homes stood out in the community, showing all that CSC is a family atmosphere. The judging was very difficult and the conclusion was that all homes were beautifully decorated and all were winners.
