

JULY 2020

Center for Social Change EMPLOYEE CONNECTION

Loveth Vincent has been consistently working very hard to ensure the best quality is provided to everyone she serves. Our individuals feel very comfortable when she is on duty and along with keeping them happy. She also keeps the house looking very nice and clean. Keep up the nice attitude along with the hard work.

MISSION

Our Mission is to provide services of the highest quality for people with cognitive and developmental disabilities and related disorders including autism that optimize each individual's independence and capabilities, ensure self-determination and rights and, with partnerships in the community, enhances their opportunities to live healthy, safe and valued lives.

VISION

Our Vision is to provide programs and services to individuals with developmental disabilities and related disorders including autism to live and work in the community and exercise their rights, choice and freedom and to live independent of institutional life through integrated efforts of change agents who are passionate about changing lives of people with disabilities throughout the world.

COVID-19 UPDATE

MEETING CANCELLATIONS
Due to the current situation concerning the corona virus (COVID-19) all the meetings are Postponed until further notice.

Coronavirus Prevention

Celina Atuegbe-Eidaghese has been recognized as the Employee of the Month. Celina is nurturing, compassionate, caring and so many wonderful things can be said about Celina. She is calm and focused and always very willing to jump in and help. Celina has worked in many of the children's homes, and all of the kids really enjoy when Celina shows up. Celina is a wonderful asset to our Children's Program.

 Center for Social Change Inc.,
 6600 Amberton Dr, Elbridge,
 Maryland 21075.
 Phone: 410-579-6789 ext:225

CSC Safety Guidelines

30 minute In-person visits between family and individuals have resumed with the following exceptions (in the case of an exception, visits will continue by telephone and/or video conference):

- Positive responses as guided by the pre-screening health questions
- The determination by the Administration that in-person visits would increase the risk for **vulnerable individuals**. Every effort shall be made to mitigate the risk and allow for in-person visits, and
- Family members who refuse or are unable to wear face coverings during family visits.

Visits should occur in outdoor settings. Confidentiality and safety should be a primary consideration. Visits should only be held outdoors or in other public settings if confidentiality can be maintained and the safety of the individual can be ensured.

Before each visit the staff must complete the pre-screening health questionnaire with the family. If the family answers yes to any of the questions, the staff must call the coordinator and the in-person visit may be cancelled.

The staff assisting with visits, parents, and any other visit participant should ensure adequate physical distancing [at least six (6) feet] while also maintaining the safety of the visit by ensuring proper supervision. Individuals should also be encouraged to wear face masks if tolerated.

All Staff members must wear masks or cloth face coverings in work place, retail spaces and on public transportation.

Thank you CSC Workers.

For all of your hard work and support during this difficult time. Thank you for being courageous superheroes on the front lines.
