COVID-19 VACCINES

YOUR BEST SHOT AGAINST COVID-19

Tested, safe and effective COVID-19 vaccines will help us get back in control of our lives and back to the people and places we love.

WHY GET VACCINATED?

- Vaccination **protects you and those around you:** colleagues in our practice, family, friends, community.
- Building a defense against COVID-19 is a **team effort.** you are a key member of our team.
- Getting the vaccine adds **one more layer of protection,** for you, our practice, and our community.

WHAT ELSE CAN YOU DO?

- **Build confidence** in vaccination. As a valued member of our healthcare team, people look up to you.
- **Tell others** why you are getting vaccinated. Encourage them to get vaccinated as soon as they can.
- Enroll in the CDC's **V-SAFE** text messaging program to help monitor vaccine safety: cdc.gov/vsafe.
- **Continue** to wear a mask, maintain a 6-foot physical distance from others, avoid crowds, and practice safe hygiene.

Thank you CSC Workers for all of your hard work and support during this difficult time. Thank you for being courageous superheroes on the front lines.
