# BEEN VACCINATED?

STILL 2 MORE STEPS TO GETTING BACK TO NORMAL

1. GET VACCINATED
2. GET TESTED
3. STAY PROTECTED

That's it! Even if you've already been vaccinated, taking advantage of free testing at work, wearing a face covering and practice social distancing will help us all get back to normal sooner.

**Tested, safe and effective COVID-19 vaccines will help us get back in control of our lives and back to the people and places we love.**

## WHY GET VACCINATED?

- Vaccination **protects you and those around you:** colleagues in our practice, family, friends, community.
- Building a defense against COVID-19 is a **team effort.** you are a key member of our team.
- Getting the vaccine adds **one more layer of protection**, for you, our practice, and our community.

**Thank you CSC Workers** for all of your hard work and support during this difficult time. Thank you for being courageous superheroes on the front lines.

All Staff members must wear masks or cloth face coverings in work place, retail spaces and on public transportation.
