REFLECTIONS 2021

OCEAN CITY

Ocean City, Maryland has become an icon of summer travel. Lined with restaurants and shops, miles of white-sand beaches, and a lively amusement park with a Ferris wheel that offers a birds-eye view of the entire town, this warm-weather getaway has become a favorite for vacation.

This year, as in previous years, CSC arranged for individuals to go to the summer beach of Maryland. Individuals, accompanied by support staff were extremely excited to pack their clothes and departed for the sunny beach. It was a beautiful summer morning. More than 30 people took part in the week-long fun. Everyone enjoyed the vacation. Individuals shopped, walked the board walk and enjoyed the warm sunshine on the beach. After the wonderful week at the beach beach all were packed up and headed back to their homes, talking about next year's plans.

SIX FLAGS

Like every year, this year also CSC arranged to go to Six Flags. Sunday, August 29, was chosen for this fun day. When we reached the park, everyone was excited. Many took pictures with different cartoon characters, while others enjoyed the water park, rides, roller coasters and games.
