Fashion Show

April 29, 2022

This year everyone was so excited and looked forward to the Fashion Show. It had been two years waiting due to COVID. We always aim for a different theme, with this year's theme "The 70's." The room was decorated with fun decorations including tablecloths, backdrops, disco ball necklaces, neon colors throughout, and fun balloons. Several opted to get 70's costumes and wigs to wear on the runway. The evening was hosted by two individuals of CSC. The stage was ready with the Red Carpet and a runway for the models to show their moves and poses. The DJ made sure to engage everyone with music and many danced the evening away. We had plenty of delicious pizzas, wings, chips and sodas for all. It was a great memorable night with many pictures to share.

Memorial Day Cook-Out

May 27, 2022

Each year Center for Social Change celebrates Memorial Day by remembering the lives that were lost by the brave veterans for this country. Although it was raining throughout the day, we moved all the fun indoors. With the help of staff, we decorated the entire space with patriotic decorations including a beautiful US flag backdrop for pictures. The food was delicious which included hamburgers, hot dogs, mac and cheese, and salads. The DJ made sure to get the dance floor moving with a great playlist and fun lighting. Lots of pictures and memories were captured.

Smithsonian Zoo

June 16, 2022

The Summer kick started with a trip to the Smithsonian Zoo in Washington DC. A large group from our Day Habilitation Program went and had a lot of fun. The proof are the wonderful pictures they took with the various animals. They also had lunch there and continued exploring the zoo till they were tired and ready to return.

Monster Jam

June 11, 2022

Monster jam is a very popular show offered each year at the Royal Farms Arena in Baltimore. The individuals look forward to this truck show which features massive trucks with multiple stunts and tricks that end up racing to determine the final winner. It is very exciting to watch and great entertainment. Our individuals absolutely love this show and look forward to it each year.

Summer Carnival

July 1, 2022

This year's Summer Carnival was extremely fun! Luckily it was a sunny bright day, and we were able to enjoy outside on our back patio. This carnival is celebrated in accordance to 4th of July with various games and activities. It is a true carnival with a duck pond, the royal flush tank, inflatable full basketball court, and a jump house. We also had several entertainers, such as a great DJ, a very talented caricaturist, a face painter, and a balloon twister. The catered BBQ food was also amazing and very much enjoyed by everyone.
