# THANKS GIVING

Thanksgiving is a day to be grateful for what you have and giving back to others. Center for Social Change makes sure that the homeless are not forgotten on Thanksgiving. Every year, CSC, provides the homeless communities in Baltimore city with care bags that include essential items.

This year we prepared close to 200 care bags which included blankets, socks, gloves, hats, scarves, and hygiene items to get them through the rough winter.

No one turned down a bag! Center for Social Change takes pride in this yearly tradition and always looks for opportunities to give back to the community.

## HALLOWEEN

The scariest and silliest night of the year was finally here. Everyone had been anxiously waiting for Center for Social Change's Annual Halloween party. Packed with adventure, mystery and thrills, everyone had goose-bumps upon arriving. The decorations enhanced the atmosphere with spider webs, a creepy butler to greet all along with witches, ghosts, and scary sounds.

The DJ made sure the lighting effects only made it spookier. Everyone came dressed up in fun and scary costumes. Lot of dancing and poses for pictures took place. The party wrapped up with everyone's favorite pizzas, wings, and ice cream.

# CHRISTMAS

It's the most wonderful time of the year! Christmas is here, the time of festivities and celebrations. Center for Social Change hosted its annual Christmas party in a beautiful banquet hall with a delicious 4 course seated dinner. This year we had "The Most Beautifully Decorated CSC Home" contest. Everyone enjoyed decorating the homes and many received award certificates for first, second, and third place. Upon eating and dancing, Santa Claus made his appearance. He brought a sack full of presents and made sure no one was left off his list.!
